**Leader Dog for the Blind provides dog guides to people who are physically blind and visually impaired. Last year, over 270 students attended the Leader Dog residential training program and were provided with the tools necessary to enhance their mobility, independence, and quality of life**

*Spiritual blindness results from our inability to see situations and issues with clarity. This lack of discernment can lead us to making inappropriate life decisions. Learn how the Church provides us with the tools necessary to bring us closer to God*

**Monetary donations are welcome to help purchase an audible, hand-held navigational GPS tool (cost \$850.00) for the visually impaired**
