1/29/2008

Dear Parishioner:

2008 is the first year of our Parish's new "Five Year Plan," to pay off our mortgage through the Yas'soo Festival and other fundraisers, while sustaining our daily operating budget through your stewardship. Please give generously so that our plan will be a success.

If our Stewards increase their 2008 pledge by 10% over 2007, and we continue to add new members at our present rate, we can meet our 2008 goal of having 80% of our operating budget covered by stewardship.

Please cut out the card below and return it to us as soon as possible, so that we may budget and otherwise plan for a successful 2008.

Yours in Christ,
Father Nick and the Saint Nicholas Stewardship Committee
