Subject: St Nicholas Greek Orthodox Church
Use of Social Hall for Ministry Meetings

We are excited to be allowed to use our social hall again for ministry meetings. As we work our way through the remaining months of the Pandemic and beyond it is important that we continue to do our best to keep everyone healthy. With this in mind, please remember the following when using the social hall. Thanks.

1. The furniture has been arranged so that it best supports safe meetings. Please do not re-arrange furniture unless absolutely necessary. If you do re-arrange, please put back as you found it when you leave.

2. All the usual stuff still applies. Stay masked up, maintain physical spacing and refrain from eating or drinking while inside.

3. Please try to stay out of kitchen so we do not need to sanitize it.

4. There are two thermostats on the east wall. If necessary, you can set them to a more comfortable temperature. They will revert to the setback temperature setting automatically.

5. There is disinfectant and paper towels on the bar near the kitchen entrance. After your meeting, please spray and wipe down the surface of any tables you were using.

6. Double check all lights are off and doors locked when you leave.

Thanks again for your commitment to faith and family. If you have questions, please contact the church office.
