About Fisher House Michigan

Fisher House Michigan will address an unmet need, by supporting the 650,000 military families whose loved ones have served our country. It will provide a free place for them to stay at the VA Ann Arbor Healthcare System, while the family member is undergoing treatment for a physical or psychological medical crisis. Our military heroes deserve nothing less. The newly planned Fisher Houses in Ann Arbor and Detroit will provide 11,680 nights of free lodging to Veterans and family members annually.

Because a family's love is good medicine.
