The approximate operating budget for St. Nicholas in 2023 will be \$578,643, which includes salaries for personnel, monies for repairs, maintenance and utilities, keeping up with technology, fulfilling our Archdiocese and Metropolis commitments, and maintaining our ministries. We hope that all of our parishioners benefit from the above, and we pray you will do your best to help us meet our financial needs for 2023. We are blessed to have approximately 300 pledging families in our parish. Based on this amount, we need \$165 per month from each of our families to meet our budgetary needs.. The more families that benefit from our community and pay towards stewardship makes this less of a burden on each family.
